

The **Adder** is a compact unit but with a lot of play value – slide, slide poles, nets, ladders and steps.

The use of nylon saddle washers allows the neat fixing of components to the main uprights without the need for unsightly brackets.

Adder

Dimensions L x W x H	4.5m x 4.2m x 2.5m
Deck Height	1.5m
Minimum space required L x W	8m x 7.3m
